A PLACE WHERE HUMANS AND VAMPIRES SECRETLY CO-EXIST; WHERE DAY AND NIGHT GO HAND IN HAND TWO VAMPIRES ...
IN THE DARKNESS OF THE NIGHT ... THE BLACK BLOODS' RADIANCE GROWS.
WHEN THE SILVER BLADE FLASHES BEFORE PEOPLE CAN COMPREHEND...
ALL ONE SEES IS A RED WIND JUST BEFORE HE VANISHES

This is so cool! I want to see a haunted house!!
WOW !!
This area is known for being problematic and dangerous ...
From here on, we're in front of Second Yard ...
AND SO ...
This brat ...
Tch!
Now, now, Kotarou ... Calm down. You're being a nuisance.
AAH
HAUNTED HOUSE, HERE I COME!!
SFX: taaaaa: running
SFX: gyoro gyoro, rustle rustle
SFX: gasp

~CIREUS-SCANLATIONS~

So this zone remains stabilized?
Is that so?
We maintain public order here by denying the admittance of troublemakers.
SFX: cling
I know ...
We were sent by that "Company" to investigate. That ... is why ...
?
SFX: tug
A few days ago, a gang of thugs turned up ...
Over there is the "Company". Humans and vampires work together to keep the order.

~CIRCUS-SCANLATIONS~

Ah, Mimiko-san, you're so rude to the people who work for you ...
You should not be eating while you're working!!
You'll be my 'clean up team' in exchange for my 'hospitality'.
Good, you two!
TL: the literal term she uses is 'Closer'
We're not humans; we're vampires.
Anija ...
SFX: getchu!
TL: Anija means 'Older Brother'
...
sigh Aren't we vampires such poor things?
Ha ha ha! That's right, Kotarou ...
~ORELUS~SCANLATIONS~

~CRE'S SCANLATIONS~

~CIRCUS SCANLATIONS~

Anija ... this girl ...
Right, it seems so ...
Eh? What should we do, Anija?
This girl ... It seems that her blood has been sucked. There's no mistaking that this is a vampire's doing.
It's a little girl ...
... about my age!! Maybe we can become friends!!
... Did you come here looking for a playmate?
We'll leave her alone for the time being ...

~CIREUS-SCANLATIONS~

~CIREUS~SCANLATIONS~

~CIRCUS-SCANLATIONS~

WE'LL KILL YOU !!!
Hmm ... Run all you want. No matter what you do, we'll get you, "Company" people, and ..
Somehow, we lost them ...
Kotarou, don't you think this girl would have gotten hurt?
Man! Why did we have to run away?! Even though I promised, why did we have to run away when it would have been so easy ...
I tell you! They're so fragile! They get sick so easily.
She got drunk.

SFX: calling

AH!!
We did it for this girl's sake.
EH ?!?!
I don't mind leaving that guy behind. He was their accomplice.
Now that I think about it, you left our tour guide behind?
What are you going to do about your for-getfulness?!
... forget-fulness ...
Shit! So he turned out to be bad, that four-eyes!!!
Ugh ...
When we heard her scream, he was already long gone ...
... in order to sneak away, so to speak.

~CIRCUS-SCANLATIONS~

~CIRCUS-SCANLATIONS~

Ah, I see ... I ...
You had your blood sucked, and you fainted. Are you all right?
Err ... I ...
Are you hurt?
Don't you know that man?
He ...
Am I no good ?!
I understand the circumstances. Poor thing ... You must have been scared ...
It's all right. Please calm down.

EH?
.....
But from now on, don't go with people you don't know!
That's right!! They'll try to tempt you with candy, but don't go!!
That's why I was working at that place. Then another man come ...
Even though he promised he'd go on a date with me ...
Boyfriend? Date? Kids sure grow up fast ...
You're wrong!! Don't talk to me as if I were a child!
EH?!
We're just food to you guys ...

~CIREUS~SCANLATIONS~

~CIREUS-SCANLATIONS~

Four-eyed ?!
THAT FOUR-EYED LIAR!!!
WAAAAAAA!
I see ...
So that's how it was ...
Eh?! The four-eyes ... from before? Wasn't he an old man?
Kotarou ... 'love cares not about age ...'
SFX: stomping

~CIREUS-SCANLATIONS~

We found you ... "Company" people ...
Who are these people?
My, my ... So you followed us here ...
The lying four-eyes' friends ...
That four-eyed bastard ... to save his own skin, he gave us this delicious food ...
But it seems like we got a little bonus to go along with it ...
SFX surprise
Yo! Little princess from before! Thanks ...
~CIRCUS-SCANLATIONS~

TL: Ojou-san is a polite way of saying Miss

SFX: sniffle
Here ... wipe your face ...

~CIRIUS-SCANLATIONS~

He turned everyone into ash.
A guy in a red jacket came, and he suddenly pulled out a katana ... and in the blink of an eye, I thought ...

I heard that there's a very powerful vampire working with the "Company".
If I'm not mistaken, that guy has a "Silver Katana".
... It's only a rumor; though ...
Do you know something?!
"Silver Katana", ...
... you say?
... that murderer ...!!
It can't be ... 'Gin Tou' ...
SFX: steps
!?
GWAAA ...!!

TL: Gin Tou means "Silver Blade".

I'm the "Company's Negotiator", Katsuragi Mimiko's 'clean up team', Mochizuchi Jirou.
Ba ... bastard ...!!
Ah, I'm so glad ...
Every-one is present ...
Ah ...
Now that I've introduced myself, I have no choice but to kill you.

Weren't you guys humans once?
Tch!
I was born again !!!
Don't you confuse me with those filthy humans!
My, my ...
Isn't that 'human'?

You don't understand a thing.
SFX- metal clashing

AIYEE !!!
Well, then ...
SFX: disintegrate

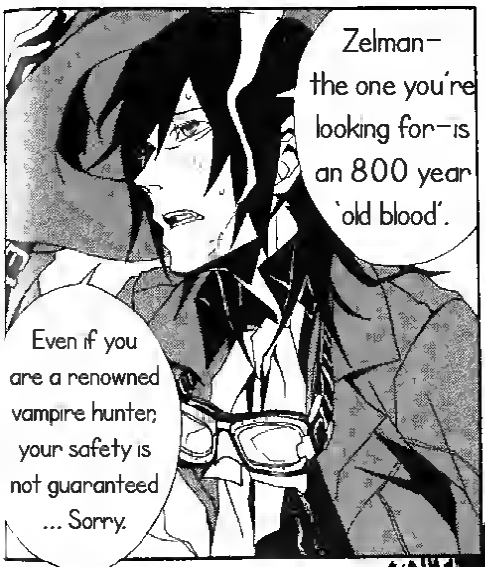
ゴエツドウシュウ
"Mortal enemies in the same boat"

SFX: ha--a - tired sigh
We have no choice. I was told by the "Company" to stop you ... and there are various other reasons, too ...
At any rate ... why Zelman?
So it's not here anymore? Shall we go back?
If you must go back, you'll have to do it alone.
I'm a vampire hunter. To allow vampires to escort me ...? Don't mock me!
Circus-Scanlations

SFX: shaaa - zaaa - knives being drawn
So ... whatever ...
Hmph ... if you fight with a hunter, they'll retaliate. It has nothing to do with you.
You're good ... You seem to be pretty popular, huh?
SFX: paki - click
SFX: zii - clash
AH! Wait a minute! You're being selfish! It doesn't bother us ...!
You, there ... shut up and watch.
What will Mimiko-san say if anything happens to you?
-Circus Scanlations-

-Circus Scanlations-

That was amazing, Anija! Did you see it?!
UWAAAAAA!
SFX shuuuu - sizzle



Zelman– the one you're looking for–is an 800 year 'old blood'.
Even if you are a renowned vampire hunter, your safety is not guaranteed ... Sorry.

From here on, I'll go on my own. You two go back.
Good gracious! What a discomposed facade you show your younger brother ...
I can't let you do that ...

... It is none of your concern.
I understand that very well.
Then ... why?

Circus Scanlations
SFX: approaching steps
Tch!
You guys ...
Move it!
What in the world ... is this ...?
What are you doing here?
Cain ...
SFX: buu buu buu - muttering
Why did you bring such an infamous person to this place? Did something happen?
... I can hear what you're saying, you know ...
... to chase that organization away ...
My, my ... Is his timing good or bad?
Nope ... it's not bad, it's the worst

Those guys you reduced to ashes.
Their organization smuggles weapons into Second Yard.
To chase away ...?
With Zelman ...?
That would be troublesome, right?
It seems they want to make contact with Zelman's faction.
The name of the organization is 'Phantom Pain'.

You hear me? Don't let me catch you snooping around!!
Got it? Get out of here!!
Cain-sama ...
Right ... We'll go now.
You were one of the many heroes in the Hong Kong Holy War.
... HUH ?
SFX: za... turns away
... is as sharp as a knife ... He's an Old Blood, after all ...
That man ...
You take care of yourself.
You are very observant, as well.
Thank you ... very much for the advice.

TL: Gin Tou - Silver Blade
Having saved the world made you the pride of the vampires.
Even among the strongest vampires, "Gin Tou" is a legend.

Are you really leaving?
.....
Oh, well, but a vampire like you being able to do that ... That is certainly hard to believe ...
Eh ... Err, that is ...
Just stay there quietly and sleep.
Ho ... holy water spray ...?
He does have good equipment ...
SFX juuu-- spray
Are you sure it's all right, even after what I said earlier about Zelman?
Please wait !!
Y ... yes!
Ko ... Kotarou, follow him! I'll come later, after I've rested ...
SFX ta-- running

I'm dizzy ... I have no strength ...
Ah ...
SFX: goron - throw
SFX- ko ko ko - echoing footsteps
No ... this is nothing ...
If I remember correctly, I saw you at Elman's place ...
I'm Sayuka.
What are you doing?
Why are you in a place like this?
Circus-Scanlations

I don't understand why there's so much excitement about this 'hunter person'. I was sent by Zelman-sama to investigate.

I am looking for the 'hunter' that Mimiko-san spoke of.

I made my little brother follow him.

I'm so glad ... This hunter you're talking about ... He just left for Zelman's place.

Do not concern yourself. That hunter poses no threat to Zelman-sama.

SFX goro - dragging

That is regrettable, but it doesn't concern me.

No, it's the opposite: I'm not worried about the hunter harming Zelman, I'm worried about Zelman killing *him* ..

I must give my report to Zelman-sama.

SFX kuru - leaves

If you'll excuse me ...

EH Wait ? a minute, plea--

WAA! WHAT SHOULD I DO...? HELP, ANIJA!

By the way, Kotarou ...

SFX PACHI PACHI PACHI, CLAP CLAP CLAP
SFX BIKU SURPRISED
It's the aria, "Greetings of Love".
Eh ... huh ...?
Tell me; tell me!! What kind of music is that?
But being able to play like that at your age is amazing!!
Oh ... I'm Kotarou!
So ... who ARE you?!
You wouldn't know my name!

Huh? But that's only two years' difference!
Well, I'm twelve! We're totally different!!
SFX PUNSUKA PLOPI
How old are you?
Er ... lessee ... ten ...?
Anyone can play like that ...
Besides ... that wasn't amazing at all ...
I don't know why you'd want to play this.
You're hopeless.
SFX FUU SIGH
Hey, you ...
I want to play, too!!
and what's with all those sparkles?!

All right! Let's see it!
SFX: SU- INHALE
SFX: CHA- BOW TOUCHING STRINGS

SFX: GI - GO- REALLY BAD NOTES

SFX: ZU - N- GLOOM

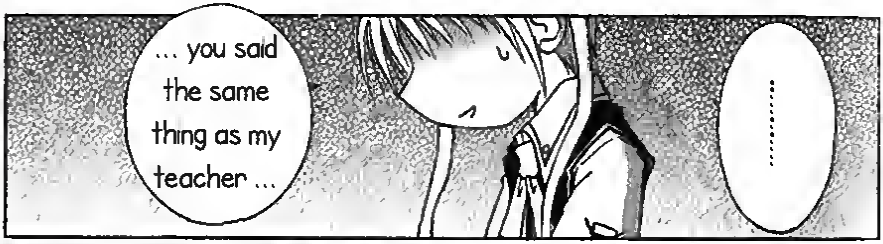
Of course!
The sound is ... all wrong ...

It's different from keyed or percussion instruments. A violin isn't something that an amateur can get up and play on the first try.
Can I play those, too?
It's impossible. You can make sounds, but to gain skill is tougher.
Keyed instruments ...? Percussion ...?
Piano and timpani.
So it is just like I thought! You're amazing!
Me ...?
You play really well.

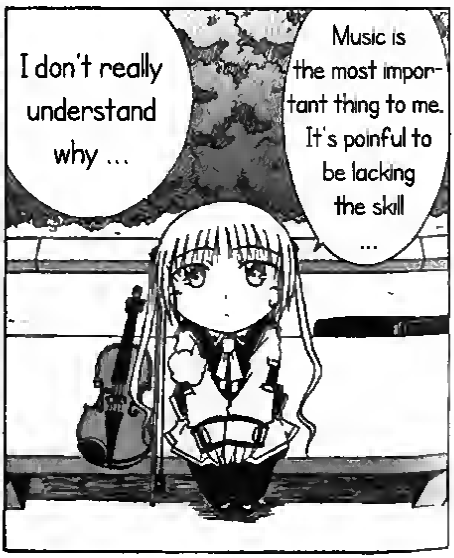
I didn't think that I had enough skill ...

Not really ... I'm not that good ...
Ah, but maybe a little ...



... you said the same thing as my teacher ...
.....

Hmm ... Let's see ...
Do you understand, Kotarou?



I don't really understand why ...
Music is the most important thing to me. It's painful to be lacking the skill ...

It makes me want to dance!!
Even though I don't understand difficult things ...
... I really like the music.
It makes me feel really good, and it's a lot of fun, right?
I'm gonna enjoy it properly!
Right, Bauwau?
.....
So, shouldn't the person playing it be happier, too?

T/L: THE TERM "PAYDAY" USED THROUGHOUT THIS OMAKE CHAPTER HAS A DOUBLE MEANING. IT IS MIMIKO'S PAYDAY FROM WORK, BUT IT IS ALSO THE DAY (NIGHT) THAT JIROU GETS HIS MONTHLY BLOOD ALLOTMENT FROM MIMIKO, TOO.

TL: SEMPAI IS AN HONORIFIC OFTEN USED TO SHOW RESPECT TO ONE'S SENIOR AT WORK OR SCHOOL
Are you going to treat us, Seki-sempai?
What are you girls going to go eat, Mimiko? Hibari?
That's because today is payday!
SFX: HO -- SIGH
ほぉ～
What's the matter, Mimiko-sempai?
Thanks for the hard work ...
You finished unusually early today.

I wonder what's wrong ...?

Huh?

It's dinner time !!
That's because todoy wos pay day.
HA HA HA HA
Mimiko-chan, isn't the food o bit fancier today?

What ... what is it that I'm looking for ...?
Uh ...
Excuse me ...
So ... what am I thinking ...?
Wha ... what is it, Jirou-san?
As if ... I wanted to see Jirou-san in my dream this morning ...
Really ...? I'm glad.
This Naboritan is delicious !!
Jirou-san is acting somewhat strangely ...

I can't eat any more!!
n-n-n ...
Kotarou ...
If you're tired, go sleep in your bed!
It must be my imagination ...
Mimiko-san ...
YE ...
YES?!
You didn't have to work today, right?
I'm going to put Kotarou to bed.
Yes.

I have to tell him, don't I?
Geez ...! What kind of violently erotic dream was that?!
I still haven't gotten used to it, even though it only happens once a month.
Furthermore ... judging from the dream I had this morning ...
I mean, there won't be a situation when he would need to **suck** my blood ...

SFX: PIRURURURU: RING
No, no, nothing at all ...
More importantly ...
SFX: BIKU SURPRISED
Is something wrong, Mimiko-san?

We're here to take you in!

Wa ... wait ... you're wrong ...
Jirou-san ...?
What's ... not it ...?
!?
It's all right. I won't let him escape.
What is it about this woman ...?
Jirou-san hardened, as well ...
You're also a vampire; am I right?
Why don't you help yourself? I'll ... let ... you ... suck ... me ...
That's not it ... I ...

... Let him suck her ...?
I see ...
Wait a minute! I'm not going to allow this!!!
SFX: MUNZU; SHOVE

Go catch that vampire that got away !!!

SFX: ZAKU ZAKU. SIRENS
THE SAME SCENE AS THIS MORNING'S DREAM ...
BUT ... I DON'T WANT TO BE THAT OTHER WOMAN ...
WHAT AM I THINKING THIS TIME ...?
That woman ... She'll be fine after she gets a blood transfusion and some rest ...

That woman ...
... I wonder if she liked that vampire ...
I don't know ...
That might have been the case ...
She allowed herself to be attacked from the start; it might have become intoxicating ...
How do vampires do it?
When they like someone ... Do they suck their blood ...?
What kind of feelings do we have ...
I suppose that if you hadn't stopped me, that was a possibility ...
But you know ...
... it's good between humans and vampires ...

We vampires are "slaves" to "blood", first and foremost ...
But isn't that like an "underhanded" story?
Even if a vampire's experience steadily increases, they have to exercise self-control ...
Of course! One can be misinterpreted.
It is the 'evolution' of your own desires.

In this day and age, that's very important to our survival in this world.
Well, today I've learned a very valuable lesson.
Was that ... an indescretion?
You're acting kind of strange today, Jirou-san ...
Is .. is that so ...?
YEP.

You looked at that woman strangely, Jirou-san.
It's nothing ... that ...
Could it be that you *wanted* to suck that woman's blood?
Honestly speaking ...
It's a deplorable vampire physiological phenomenon ... Please smile ...

I'm glad.
Wh ... why's that?
!?
You only need to drink a little blood, Jirou-san?

Here.
This month's ration.
EH?
SFX: NYA, MEOW

What's the matter, Jirou-san?
Wa ... wait a second, Mimiko-san! Isn't this kind of sudden? Anyone could see us in a place like this!
You didn't seem to mind that woman earlier ...
As your employer, I have already figured out that you would like a little ...
... Drawing conclusions for others ... Is there an ulterior motive ...?
Did you hear me?
